## ACADEMIC PROGRAMS

Areas of study are listed in the first column. The actual undergraduate and graduate degrees or certificates to be earned are listed to the right of each field of study. Degrees, emphasis areas (options), certificates, and minors will appear on students' official transcripts.

Pursuant to Missouri HB 1606 (2018), information regarding program lengths, costs, and students' median time-to-degree, as well as employment and wage outcomes, can be found at [https://jobs.mo.gov/jobseeker/training-and-education](https://jobs.mo.gov/jobseeker/training-and-education/). Employment and wage outcomes are limited to completers found employed in Missouri. Students not found as employed may also be working out-of-state, self-employed, or enrolled in continuing education. Additional information on programs and program outcomes may be found by searching at [https://scorecard.mo.gov/Search](https://scorecard.mo.gov/Search/).
