

MASTER OF MUSIC: CONDUCTING

Student Learning Outcomes

Students graduating from this program will:

- Students will be comfortable with basic conducting gestures.
- Students will be able to rehearse an ensemble effectively and will be able to identify ensemble faults in pitch, rhythm, intonation, precision, and balance.
- Students will demonstrate basic levels of musicality and expression in their conducting.
- Students will be able to articulate in written and oral formats the stylistic characteristics of each major musical style period.
- Students will be able to list and define the characteristics of the core repertory for their field of study.
- Students will be able to analyze the historical and analytical components of music in both written and oral formats.
