

# ACADEMIC/STUDENT SUPPORT SERVICES

---

## **Academic Support Services**

The School of Dentistry provides a comprehensive academic support program which includes time management, study strategies, and test taking skills. An interceptive system of continuous academic monitoring is in effect. Students who may be experiencing academic difficulty during a term are identified and advised. This results in an individualized plan of action to overcome any deficiencies. In addition, personal counseling assistance requests and documented accommodation support is available.

## **Office of the Dean**

Through an Academic Support Coordinator staff position students receive support through the following approaches:

- Early-alert academic monitoring and advising
- Tutoring
- Coaching for time management, study strategies, and test taking skills
- Action planning
- Personal and life coaching
- Counseling and emergency referrals
- Classroom accommodation support for documented students

## **Office of Student Programs**

The Dental School's Office of Student Programs focuses on the following support services:

- Pathway programming, recruitment, and admissions
- Registration, records, and graduation
- Scholarships
- Student events and recognitions
- Student organizations
- Student leadership and mentoring
- Diversity programming
- Career connections
- Room scheduling
- Student support services

The majority of dental school student services are provided by this office and the office serves as a liaison to the appropriate UMKC student support services such as financial aid, health and wellness, career services, recreation services, housing, campus safety, parking, etc.

## **Office of the Dean for Diversity, Equity, & Inclusion**

The Assistant Dean works closely with students, staff, faculty, and administration to create a climate of belonging and inclusion for the entire school of dentistry community. This includes support initiatives related to:

- Recruitment and retention efforts for underrepresented students, faculty, and staff
- Student mentoring and advising (Student National Dental Association, Hispanic Student Dental Association, and Dental Pride Alliance)
- DEI programming, education, and training
- Facilitation of the SOD DEI Committee
- Alumni and community relations
- Organizational strategic planning, evaluation, resource allocation, and policy review
- Person-centered care curriculum support
- Conflict reporting, resolution, and meditation
- Title IX and Affirmative Action support
- Liaison to the UMKC Vice Chancellor of Diversity and Inclusion

## **Financial Aid**

Financial assistance is available from a number of sources, primarily those programs supported through the "Free Application for Federal Student Aid" (FAFSA). Students should annually complete the FAFSA to be eligible for aid. Additional information specifically for School of Dentistry programs is available through the UMKC Financial Aid & Scholarship Office at <https://finaid.umkc.edu/affordability/dentistry-cost-estimate.html>.

The UMKC Financial Aid & Scholarship Office has two locations:

- UMKC Volker Campus  
5115 Oak Street, 101 Administrative Center  
Kansas City, MO 64112
- UMKC Hospital Hill Campus  
2464 Charlotte, 1418 Health Sciences Building  
Kansas City, MO 64108  
816-235-6783 / [finaidhospitalhill@umkc.edu](mailto:finaidhospitalhill@umkc.edu)

### **Student Organizations/Activities**

For students interested in extracurricular activities, there are a variety of student organization with a focus on professional service and development. Most are affiliated with national dental organizations. Students may also participate in other non-dentistry oriented organizations.

**Active student organizations within the school include:**

- Academy of LDS Dentists
- American Academy Cosmetic Dentistry
