

CERTIFICATE IN ADVANCED EDUCATION IN GENERAL DENTISTRY

Program Description:

Director:

Luana Oliveira, DDS, MS, PhD

Faculty:

Cynthia Petrie, DDS, MS.

The Advanced Education in General Dentistry (AEGD) residency program is a 12-month Commission on Dental Accreditation (CODA) accredited program that begins July 1st of each year. Typically, 4 residents are accepted each year. The program is designed to refine and advance knowledge, skills, clinical competency, and proficiency in the practice of comprehensive general dentistry. The program bridges the gap between dental school and dental practice. Clinical instruction is offered in all clinical disciplines. The didactic component provides postgraduate training in the basic and behavioral sciences, as well as the clinical sciences and practice management. Upon completion of this program a certificate in "Advanced General Dentistry" will be awarded.

Eligibility

An applicant for this program must be a citizen of the United States or a foreign national having a visa permitting permanent residence in the United States.

US Dental School Graduate Applicants

- Applicants must submit evidence of graduation from a school of dentistry accredited by the American Dental Association or the Canadian Dental Association.
- Minimum dental school 3.0 GPA is required
 - Official dental school transcripts should be submitted directly to PASS.
- Must rank in the top 75% of their graduating class
- For applicants who have taken Official National Dental Board Exam scores (NBDE Part 1 and Part 2 or Integrated NBDE), official scores must be submitted directly to PASS. For applicants who will be taking INBDE, scores will not be required for application review.
- Applicants, who have been out of dental school for a year or more, must successfully pass a clinical licensure exam before they start the residency.
- The Advanced Dental Admission Test (ADAT) is preferred but not required for applicants. Official ADAT results will be released to ADEA PASS within three to four weeks of your test date.

International Dental School Graduate Applicants

- Minimum dental school 3.0 GPA is required
 - Official dental school transcripts should be submitted directly to PASS.
- For the transcript, an Official Course-by-Course Evaluation Report is required.
You must choose from either:
 - 1) Educational Credential Evaluators, Inc.  - 2) World Education Services (WES) www.wes.org (<https://nam02.safelinks.protection.outlook.com/?url=http%3A%2F%2Fwww.wes.org%2F&data=05%7C01%7Cportmannb%40umkc.edu%7Cdeb369ef35ed44dc0d7008db8f76ce66%7Ce3fefdbef7e9401ba51a355e01b05a89%7C0%7C0%7C638261512650785282%7CUnknown%7CTWFPbGZsb3d8eyJWljoimC4wLjAwMDAiLCJQIjoiV2luMzliLCJBTiI6IklhaWwiLCJXVCi6Mn0%3D%7C3000%7C%7C&sdata=Y21BMVGHCmFv1mS4L23dcOrXDserSMfP4KMG5jX1leQ%3D&reserved=0>)
- Applicant must have passed the National Dental Board Exam (NBDE Part 1 and Part 2 or Integrated NBDE)
 - Scores must be submitted directly to PASS. Will be required for application review.
- TOEFL score of 80 or higher, taken within the last 2 years
 - Scores must be submitted directly to PASS. Will be required for application review.
- If selected for an interview, a dental skills bench test will be required as part of the interview.

Detailed application information is available at Important Information for Applicants (<https://dentistry.umkc.edu/academics/certificate-in-advanced-education-in-general-dentistry/>)

Tuition and Fees

Estimated school tuition and fees can be found at <https://www.umkc.edu/cashiers/tuition-fees/index.html> (<https://www.umkc.edu/cashiers/tuition-fees/>). Questions can be directed to the dental school's Research & Graduate Programs Office (816-235-6342), umkcgradpgms@umkc.edu. If selected for the program, there is a \$500 nonrefundable acceptance fee that must be paid within 2 days of acceptance of the position. More information will be provided to the applicant once accepted into the program.

Financial Assistance

Up-to-date additional information on financial assistance can be obtained at <https://finaid.umkc.edu/>.

Stipend

Residents will receive a competitive annual stipend paid on a monthly basis.

Applications

Application for admission **MUST** be through the ADEA PASS program and completed on or before December 1 of the year prior to planned enrollment. Detailed application information is available at Important Information for Applicants. (<https://dentistry.umkc.edu/academics/certificate-in-advanced-education-in-general-dentistry/>)

Interview

Competitive applicants will be invited to Kansas City for an interview with the program director and other selected faculty and staff. If invited, the interview is a required part of the application process and funding is the responsibility of the applicant.

Point of Contact

To request further information, contact the Research & Graduate Programs Office at (816) 235-6342 or umkcsodadvedpgms@umkc.edu.

Student Learning Outcomes

Students graduating from this program will:

- Functions as a patient's primary and comprehensive oral health care provider.
- Consistently recommends treatment that is appropriate for the patient's diagnosis, sequences the treatment appropriately and refers to a specialist as necessary.
- Demonstrates understanding the value community service provides for oral health care for at risk populations.

Student Learning Outcomes

Residents on completion of the AEGD program will have the knowledge and experience to provide comprehensive multidisciplinary oral health care at a level of skill and competency beyond that achieved in their pre-doctoral training. It is expected that they will be able to provide this care to a broad and diverse patient population which includes the medically compromised and those with special needs.

The mission of the AEGD Residency Program is to continue the professional development of oral health care providers in keeping with the UMKC School of Dentistry's core values of excellence, compassion, integrity, and justice. The Standards of the Commission of Dental Accreditation (CODA) is the accrediting body that provides the structure and educational outcomes required for its graduates to provide comprehensive oral health care to a wide range of population groups.

The objectives of the didactic and clinical experiences are to broaden and strengthen the scope and level of residents' competencies and proficiencies in the practice of dentistry.

Student Learning Outcomes include:

1. Functions as a patient's primary and comprehensive oral health care provider.
2. Consistently recommends treatment that is appropriate for the patient's diagnosis, sequences the treatment appropriately and refers to a specialist as necessary.
3. Demonstrates understanding the value community service provides for oral health care for at risk populations.

Educational formats used are: formal courses, lectures, seminars, literature reviews, assigned readings, hands-on courses, case presentation, attendance at continuing education, guest speakers, treatment planning conferences, clinical demonstrations, and chairside clinical teaching.

Program Requirements

Code	Title	Credits
G-PRAC 5721	General Practice Clinic 1	1-10
G-PRAC 5722	General Practice Clinic 2	1-10
G-PRAC 5723	General Practice Clinic 3	1-10

PERIO 5719	Implantology	2
BIO-SCI 5742	Biomaterials for the Restorative and General Dentist	2

Graduation Requirements

Requirements for a Certificate in Advanced Education in General Dentistry (AEGD)

Successful completion includes:

1. Maintaining a 3.0 GPA for all assigned didactic and clinical course work
2. Maintenance of all required clinical documentation
3. Document clinical cases for presentation at treatment planning seminars
4. Progressively increase resident's scope of practice and increase clinical competencies beyond that of a graduate of a four-year D.D.S. (D.M.D.) program
5. Provide dental care to a diverse population in an ethical, competent, compassionate, and professional manner
6. Achieve established program "goals and objectives" established by the Council of Dental Accreditation (CODA) of the American Dental Association
7. Coordinate and participate in community service projects
8. Comply with all policies established by UMKC and the School of Dentistry.

UMKC is An Equal Opportunity/Access/Affirmative Action/Pro Disabled & Veteran Employer
