Information and History

General Information
All statements in this section are announcements of present policies, requirements (admission and academic progress), curricula, fees and services. They are subject to change at any time without prior notice. They are not to be regarded as offers to contract.

History
The UMKC School of Dentistry traces its roots to 1881, when the Kansas City Dental College was founded as a department of the Kansas City Medical College. In 1919 the Kansas City Dental College merged with Western Dental College to form the Kansas City Western Dental College. It became the School of Dentistry of the University of Kansas City in 1941. In 1963 the school became the School of Dentistry at UMKC.

Continuous and distinguished service for more than 135 years has established the School of Dentistry as an important institution in the region and throughout the nation.

Over the years, the school's educational standards and opportunities have increased as the school has consistently demonstrated its ability to educate well-qualified dentists and dental hygienists to contribute to the improvement of oral health. As an affirmation of this, the D.D.S., the graduate certificate programs: advanced education in general dentistry, periodontics, oral and maxillofacial surgery, endodontics, and orthodontics and
dentofacial orthopedics, and the B.S. in dental hygiene are fully accredited by the Commission on Dental Accreditation of the American Dental Association.

The school is situated on the Health Sciences Campus, where Truman Medical Center, Children's Mercy Hospital and the UMKC Schools of Medicine, Nursing and Health Studies, and Pharmacy are also located.

**Degrees Offered**

The School of Dentistry offers a four-year professional program leading to the doctor of dental surgery (D.D.S.) degree, and the bachelor of science degree in dental hygiene (B.S.). The School offers graduate programs leading to a master of science degree in oral and craniofacial sciences or in dental hygiene education (M.S.) (http://dentistry.umkc.edu/Future_Students/DHMasterScience.shtml/), and advanced education certificates in recognized dental clinical specialties. In addition, the school participates in UMKC's Interdisciplinary Ph.D. program (http://catalog.umkc.edu/colleges-schools/dentistry/oral-craniofacial-sciences/oral-craniofacial-sciences-interdisciplinary-phd/) through the discipline of oral and craniofacial sciences. Please refer to the School of Graduate Studies section of the catalog for information on admission criteria and degree requirements for the Ph.D program.

**Grading System**

The grading and grade-point system used by all academic programs in the School of Dentistry is defined by the University. It is outlined in the General Graduate Academic Regulations and Information section of this catalog.

**Incomplete Grades**

Students may earn an incomplete grade (I) due to illness or other valid reasons beyond the student's control and has been unable to complete the work in a course. A student who receives an incomplete, and who subsequently does not elect to withdraw from the course, must complete the required work by a date specified by the instructor. Failure to complete required work by this date is cause for the incomplete to be changed to an F (failure without credit). This is exclusive of those courses that are considered directed individual studies, internships, special topics, practicums, and research and thesis courses.

An incomplete grade is appropriate when enough work in the course has been completed that the student can finish the remaining work without re-enrolling in the course in question or attending additional classes. Otherwise students should initiate withdrawal (but only with permission).

Students may not re-enroll in a course for which an incomplete remains on their records.

**Facilities**

**Clinic**

The dental and dental hygiene clinics have more than 280 operatories with separate areas for pediatric dentistry, oral surgery and radiology. The clinic also contains an Innovation Clinic equipped with different operatory equipment provided by various dental manufacturers so students may practice on various dental delivery systems. Newer technology, such as electric handpieces, integrated ultrasonic units, Cerec acquisition and milling units, digital radiology (both plates and sensors), NOMAD units and axiUm (electronic patient record program) are available in the general clinic for use by students. The school uses an evidence-based approach to the disposables and supplies used in the clinic and recently incorporated an innovative impression system and fabricating milled complete dentures appliances.

The school also offers to Advanced Education Programs in Periodontics, Orthodontics, Endodontics and General Dentistry as well as joint programs in Oral Surgery and Pediatric Dentistry.

**Classrooms**

Three large lecture halls and five smaller classrooms/seminar rooms. All lecture halls are equipped with networked computers and modern projection systems.

**Laboratories**

Two state of the art dental preclinical simulation facilities with fully equipped working stations and manikins; an anatomical model laboratory.

**Health Science Library**

The Health Sciences Library located within the School of Medicine and adjacent to the School of Dentistry supports the curricular, scholarly and research activities of the students, faculty and staff. Extending beyond the library walls through electronic resources are nearly three hundred online databases, over two hundred online journal titles specific to Dentistry and thousands of journals in related Health Sciences, Chemistry, and Engineering that pertain to dental research and practice. Housed within the library physical collection includes over four hundred journal titles and over seventeen thousand monographs. All UMKC students have full access to each of the UMKC libraries as well as the opportunity to establish user accounts to the Linda Hall Library, the world’s foremost independent research library devoted to science, engineering and technology, located adjacent to the Volker campus.
Study Commons
Located on the third floor of the School of Dentistry is a space allocated for students to gather and study. There are seating areas to accommodate varying study habits. Twenty-eight computers are arranged in a computer lab available for hands-on training.

Community Affiliations
Teaching relationships exist with many area community health centers, area hospitals, including Children's Mercy Hospital, Saint Luke's Hospital, Truman Medical Center and other community organization such as University Academy. Dental student spend time providing care in the Kansas City metro area and at Community Health Centers around the state...

Miscellaneous
The school also supports a full-service Biomedical Communication Department that contributes significantly to its educational and administrative missions. The Health Sciences Bookstore supplies all textbook, and some supply needs of the student body; it is housed on the Health Sciences Campus.

Outreach Programs
In keeping with its goal of developing a sense of professional and societal responsibilities, and an awareness of community needs and problems in its students, the school offers numerous outreach opportunities. Dental and dental hygiene students provide oral health care in over 30 community-based health centers. The dental school also maintains affiliations with groups invested in oral health promotion, including University Academy, Kansas City Free Health Clinic, Give Kids a Smile, Missouri and Kansas Missions of Mercy, and Students Take Action.

Research Programs
Research plays a prominent role in the School of Dentistry. The Interdisciplinary Ph.D. program, M.S. degree programs (Oral & Craniofacial Sciences and Dental Hygiene Education) as well as the advanced dental programs all have strong research components. The intent of these programs is to expose the student to basic and translational research, and clinical application. Research and the scientific method are formal parts of the educational program of all dental school students, contributing to their education, as well as serving to advance science and dentistry. There is significant external grant funding supporting the research efforts. Many of the researchers who have obtained these grants serve as mentors for dental students participating in the Summer Scholars Program. In this selective program, a limited number of students participate in a nine-week research experience in the mentor’s area of research interest and present their project results at a national meeting.

Faculty
Kenneth Abramovitch; professor & chair of oral pathology, radiology, and medicine department; D.D.S. (McGill University); Certificate in Dental Diagnostic Science (University of Texas Health Science Center at San Antonio); M.S. Dental Diagnostic Science (University of Texas-Health Science Center at San Antonio).

Richard J. Ackerman; professor emeritus; D.D.S., M.S., Certificate, Pediatric Dentistry (University of Missouri-Kansas City); Certificate, Orthodontics and Dentofacial Orthopedics (Forsyth Dental Center); Certificate, Postdoctoral Research Fellowship (Harvard University).

Cynthia Amyot2,3; professor emerita; B.S.D.H., M.S., Ed.D. (University of Missouri-Kansas City).

James L. Andrews; professor emeritus; D.D.S., Certificate, Oral and Maxillofacial Surgery (The Ohio State University).

Christina Baker; clinical assistant professor; B.S. Dental Hygiene (University of Missouri-Kansas City), M.Ed Educational, School, & Counseling Psychology (University of Missouri-Columbia).

Pierluigi Balice; clinical assistant professor; D.D.S. (University of Bari); M.D.S. and Certificate, Periodontology (University of Connecticut School of Dental Medicine).

John Ball, clinical associate professor; B.S., D.D.S. (University of Missouri-Kansas City).

Bruce F. Barker; professor emeritus; D.D.S. (University of Michigan); Certificate, Oral Pathology (University of Southern California).

Gerry J. Barker; professor emerita; B.S. (University of Michigan); M.A. (University of Missouri-Kansas City).

Timothy M. Barry; clinical assistant professor; B.A. Biology (University of Missouri-Columbia); D.D.S. (University of Missouri-Kansas City).

Melanie Simmer-Beck2,3; associate professor; B.S.D.H. (University of Missouri-Kansas City); M.S. (University of Missouri-Kansas City); PhD (University of Missouri-Kansas City).

Daniel Ben Yehuda; clinical assistant professor; B.D.S. (University of Madris); M.S. in Prosthodontics (Boston University).

Neal L. Bilyeu; clinical assistant professor; premedical-Missouri Valley College; (Southwest Missouri State); D.D.S. medical - (University of Missouri-Kansas City).
Robert E. Blundell, Jr., clinical associate professor emeritus; D.D.S., (University of Missouri-Kansas City); Certificate Endodontics (U.S. Navy Postgraduate Dental School, Bethesda, MD)

Brenda S. Bohaty, professor; D.D.S. (University of Nebraska); M.S.D., Certificate, Pediatric Dentistry (Baylor College of Dentistry).

Bonnie Branson, professor emerita; B.S. (University of South Carolina); M.S., Ph.D. (Southern Illinois University-Carbondale).

Kimberly S. Bray, professor; A.A. (Sinclair Community College); B.S.D.H., M.S. (University of Missouri-Kansas City).

Michelle Briner-Garrido, D.D.S. (University of Los Andes); Certificate in Oral and Maxillofacial Radiology (University of Florida).

Alan R. Brown, associate professor emeritus; D.D.S. (The Ohio State University); Certificate, Oral and Maxillofacial Surgery (Fitzsimmons Army Medical Center).

Erin Bumann, assistant professor; B.S., D.D.S., Postdoctoral Fellowship, Certificate in Pediatric Dentistry, M.S. (University of Michigan, Ann Arbor); Ph.D, Certificate in Training in Clinical Research (University of California, San Francisco)

Barbara R. Clark, professor emerita; Pharm.D. (University of California).

Charles M. Cobb, professor emeritus; D.D.S., M.S. (University of Missouri-Kansas City); Ph.D. (Georgetown University).

Eileen L. Cocjin, clinical associate professor; D.M.D. (Manila, Philippines); Certificate Pediatric Dentistry (University of Southern California-Los Angeles); D.D.S. (University Missouri-Kansas City).

Kristine Cody, assistant professor; D.D.S. (University of Iowa)

Ann Marie Corry, associate professor emerita; B.A. (Washburn University); M.A.L.S. (University of Denver); M.A. (University of Missouri-Kansas City).

John Cottrell, clinical instructor; B.A. (Pittsburg State University); M.A. (University of Northern Iowa).

Timothy Cox, professor; endowed chair in mineralized tissue; Ph.D. Molecular Genetics (University of Adelaide)

Tsau-Mau Chou, associate professor emeritus; B.D.S. (Kaohsiung Medical College); D.Sc.D., M.Sc.D., D.M.D. (Boston University).

R. Scott Conley, associate professor; D.M.D. (University of Pennsylvania); Orthodontics certificate (Vanderbilt University)

Robert D. Cowan, professor emeritus; D.D.S. (University of Michigan); M.S., Certificate, General Dentistry (University of Texas-Houston).

Sarah L. Dallas, associate professor; Lee M. and William Lefkowitz Endowed Professor; B.S. Anatomical Studies (University of Birmingham); Ph.D. (University of London).

Yasko Darkoue, clinical assistant professor; B.D.S. (Tripoli University Faculty of Dentistry).

Donna N. Deines, associate professor emerita; A.B. (Drury College); D.D.S., M.S., Certificate, Prosthodontics (University of Missouri-Kansas City).

Charles L. Dunlap, professor emeritus; D.D.S., Certificate, Oral Pathology (University of Missouri-Kansas City).

Shara M. Dunlap, clinical professor; D.D.S. (University of Missouri-Kansas City).

Robert R. Edwards, clinical assistant professor; B.A. (Kansas University; D.D.S. (University of Missouri-Kansas City); General Practice Residency (Veteran's Administration, Portland, OR); Certificate Endodontics and M.S. (Northwestern University, Evanston, IL).

Caryn Ehrenberger, clinical assistant professor; B.S. (Pittsburg State University); D.D.S (University of Missouri-Kansas City).

J. David Eick, associate professor emeritus; B.S. (University of Michigan); M.S. (George Washington University); Ph.D. (State University of New York).

Dean A. Elledge, associate professor emeritus; B.S. (Missouri Southern State College); D.D.S. (University of Missouri-Kansas City); M.S. (University of Minnesota).

C. Weldon Elrod, clinical professor emeritus; D.M.D. (Medical College of Georgia); Certificate, Prosthodontics (Walter Reed Army Medical Center).

Harvey C. Eplee, associate professor emeritus; B.S. (Kansas State University); D.D.S. (University of Missouri-Kansas City); M.P.A. (University of Kansas); M.J. (Loyola University).

E. Grant Eshelman, clinical associate professor emeritus; A.B. (Franklin-Marshall College); M.S. (University Missouri-Kansas City); D.D.S. (Columbia University).

Philip H. Feil, professor emeritus; B.A. (Sir George Williams University); M.S. (State University of New York); Ed.D. (Indiana University).
Brett L. Ferguson; adjunct associate professor; B.S. (Lane College); D.D.S., Certificate, Oral and Maxillofacial Surgery (University of Missouri-Kansas City).

David J. Ferguson; associate professor emeritus; D.D.S., Certificate Prosthodontics (University of Missouri-Kansas City).

Kenneth Frick; clinical associate professor; BS (University of California, Davis); DDS (University of Missouri-Kansas City); Certificate General Practice Residency (USAF GPR Barksdale AFB); MS (Marquette University Graduate School); Certificate in Endodontics (Marquette University School of Dentistry).

Lynn Roosa Friesen; research associate professor; B.S. (Kansas State University); D.D.S., Certificate, Periodontics and M.S. (University of Missouri-Kansas City).

Jared Gerhardt; clinical assistant professor; B.A., B.S. (Southwestern College); D.D.S. (University of Missouri-Kansas City)

Tanya Marie Gibson; associate professor; BA (Capital University); DDS (Meharry Medical College School of Dentistry); Certificate in Oral and Maxillofacial Pathology (Long Island Jewish Medical Center).

John A. Gilbert; associate professor emeritus; D.M.D. (University of Oregon); (Washington University); M.L.A. (Baker University).

Alan G. Glaros; professor emeritus; A.B. (Stanford University); Ph.D. (State University of New York).

Lance Godley; clinical assistant professor; B.S. (Florida State University); D.M.D. (University of Florida).

Jeff P. Gorski; professor emeritus; B.Sc. (University of Wisconsin-Madison); Ph.D. (University of Wisconsin-Madison).

Eric Gottman; clinical associate professor; D.D.S. (University of Missouri-Kansas City); Certificate, Prosthodontics (University of Missouri-Kansas City).

Patrick K. Hardman; professor emeritus; B.S. (Fort Hays State University); D.D.S., M.S., Certificate, Oral Diagnosis/Oral Medicine (University of Missouri-Kansas City).

Terrance B. Harris; associate professor emeritus; B.S. (University of Kansas); D.D.S., M.S., Certificate, Oral Diagnosis/Oral Medicine (University of Missouri-Kansas City).

Harlan Hassen; clinical assistant professor, DDS (University of Missouri-Kansas City).

James K. Hocott; associate professor emeritus; B.S. (Kansas State University); D.D.S. (University of Missouri-Kansas City).

Tamara Jan Hoffman; clinical instructor; B.S.D.H. (University of Missouri-Kansas City).

Lyndal G. Holmes; associate professor emeritus; B.S. (Drury College); D.D.S., M.S., Certificate, Periodontics (University of Missouri-Kansas City).

Lorie Holt; associate professor; B.S., M.S. (University of Missouri-Kansas City).

Robert Hurst; clinical assistant professor; D.D.S. (University of Missouri-Kansas City).

Shirley H. Hung; associate professor emerita; D.D.S. (National Taiwan University); M.S. (University of Missouri-Kansas City); D.D.S. (University of Southern California-Los Angeles).

Gregory Johnson; clinical professor emeritus; B.S. (Fort Hays State University); D.D.S. (University of Missouri-Kansas City); M.A. (Antioch University).

Mark L. Johnson; professor; B.S. (University of Minnesota-Minneapolis); Ph.D. Biochemistry (University of Minnesota and Mayo Graduate School of Medicine-Rochester).

Solon Kao; vice-chair of oral surgery & hospital dentistry and clinical associate professor; B.E. (Vanderbilt); D.D.S. (University of Tennessee); Certificate, Oral and Maxillofacial Surgery (Medical College of Georgia).

Jerald O. Katz; professor emeritus; B.S. (Albright University); D.M.D. (University of Pittsburgh); Certificate in Dental Diagnostic Science (University of Texas Health Science Center at San Antonio); M.S. (University of Texas-Health Science Center at San Antonio).

Mary Elizabeth (Liz) Kaz; clinical associate professor and associate dean for academic affairs; B.S., M.S. (University of Missouri-Kansas City); EdD (Nova Southeastern University).

Nancy Keselyak; associate professor; B.S. (University of Maryland); M.A. (Simon Fraser University).

Susan K. Kessler; clinical assistant professor; B.S., D.D.S. (University of Missouri-Kansas City).

John W. Killip; clinical professor emeritus; B.S. (Northern Arizona University); D.D.S. (University of Missouri-Kansas City).

James C. Kulild; professor emeritus; D.D.S. (University of Missouri-Kansas City); M.S. (George Washington University).
Gustavo Leal, clinical assistant professor, D.D.S. (University of San Carlos College of Dentistry Guatemala), Certificate in Prosthodontics (University of Iowa).

Stefan Lohfeld; assistant professor; Dipl.-Ing. (University of Bremen, Germany); Dr.-Ing. (RWTH Aachen University).

Owen Lonergan; clinical assistant professor; B.S. (University of California, San Diego); M.P.H. (Arizona School of Health Sciences); D.M.D. (Arizona School of Dentistry and Oral Health, AT Still University); M.D., Advanced Education in Oral & Maxillofacial Surgery (University of Missouri-Kansas City).

Alison Louie; clinical associate professor; B.S., (University of California-Los Angeles), D.D.S., (University of Pacific School of Dentistry-San Francisco)

James W. Lowe; professor emeritus; A.B. (William Jewell College); D.D.S., M.S. (University of Missouri-Kansas City).

Simon R. MacNeill; professor; B.D.S. (King's College, London); D.D.S. (University of Missouri-Kansas City); Certificates, General Dentistry, General Practice, Periodontics certificate (Louisiana State University).

William E. Mayberry; professor emeritus; A.B. (Washington University); M.S. (Southern Illinois University); Ph.D. (University of Illinois).

Carole P. McArthur; professor emerita; B.Sc. (Hons 1st Class), Ph.D. (University of Otago); M.D. (University of Missouri-Kansas City).

Michael D. McCunniff; associate professor emeritus; B.S. (Creighton University); M.S. (University of Iowa); D.D.S. (University of Missouri-Kansas City).

Tanya V. Mitchell; professor; B.S., M.S. (University of Missouri-Kansas City).

David L. Moore; professor emeritus; B.S. (Oklahoma State University); D.D.S., M.A., M.S. (University of Missouri-Kansas City).

Michael Murphy; clinical assistant professor; D.D.S., Advanced Education in General Dentistry (University of Missouri-Kansas City); M.B.A. (Indiana University); M.S. (University of Minnesota).

Jack Nelson; clinical associate professor emeritus; BA (Ottawa University); MPA (University of Missouri-Kansas City); DDS (University of Missouri-Kansas City); Geriatric Oral Health Fellowship Certificate (University of Missouri-Kansas City).

Aparna Naidu; clinical associate professor; B.A. (Saint Louis University); D.D.S. (Northwestern University Dental School, Chicago); Oral Pathology Certificate (Baylor College of Dentistry-Texas A&M Health Science Center); M.S., Certificate (Baylor College of Dentistry-Texas A&M Health Science Center).

James Stephen Oakson; clinical assistant professor; D.D.S. (University of Missouri-Kansas City).

Pamela R. Overman; professor emerita; B.S., M.S. (University of Missouri-Kansas City); Ed. D. (University of Kansas).

Bethany Palesh; clinical assistant professor; B.S.D.H. (University of Detroit Mercy), M.S.D.H. (University of Michigan School of Dentistry).

Tressa Parkinson; clinical professor; D.D.S. (University of Missouri-Kansas City); GPR (VA Leavenworth, KS).

Douglas A. Pearson; clinical assistant professor; B.A. (University of KS); D.D.S. (University of Missouri-Kansas City); Certificate, General Practice Residency (Veteran's Administration, Kansas City, MO).

Cynthia S. Petrie; associate professor and chair, Dr. George Tanaka Hawaii professor of Restorative Dentistry; D.D.S. (Athens, Greece); D.D.S., M.S., Certificate, Prosthodontics (University of Missouri-Kansas City).

Paul R. Prine; associate professor emeritus; B.S., D.D.S., M.S., Certificate, Periodontics (University of Missouri-Kansas City).

Richard G. Prine; clinical assistant professor; B.S., D.D.S. (University of Missouri-Kansas City).

John H. Purk; professor emeritus; B.A. (University of Missouri-St. Louis); D.D.S., M.S., Ph.D. (University of Missouri-Kansas City).

Marsha A. Pyle; professor emerita; D.D.S., (Case Western Reserve University); Certificate General Practice Residency, (Veterans Administration Medical Center, Cleveland, OH); M.Ed., (Cleveland State University).

John W. Rapley; professor emeritus; B.A. (University of Missouri-Kansas City); D.D.S. (University of Missouri-Kansas City); M.S. (University of Texas-Houston); Certificate, Periodontics (Wilford Hall Air Force Medical Center).

Lorraine Forgas Rauckman; associate professor; A.A.S.-DH (Pueblo Community College); B.S.D.H., M.S. (University of Missouri-Kansas City).

G. Juliana Redford; clinical assistant professor; D.D.S. (Universidad Santo Tomas De Aquino); Certificate, Pediatric Dentistry (Bogota, Columbia); D.D.S. (University of Missouri-Kansas City).

Ingrid Reed; clinical assistant professor emerita; D.D.S., certificate orthodontics, M.S. (SUNY-Buffalo).
Michael J. Reed; professor and dean emeritus; B.Sc. Hons. (University of Durham); B.D.S. (University of Newcastle-upon-Tyne); Ph.D. (State University of New York at Buffalo).

Richard L. Reiff; associate professor emeritus; B.A. (William Jewell College); D.D.S., M.S. (University of Missouri-Kansas City).

Jean-Marc Retrouvey; professor; chair of orthodontics & dentofacial orthopedics; D.M.D. (University of Montreal); Orthodontics certificate, M.Sc. (Boston University).

Christopher D. Rice; associate professor emeritus; B.S., D.D.S. (Creighton University); M.A. (University of Missouri-Kansas City).

Dr. Jorge Vera Rojas, clinical assistant professor D.D.S (Universidad Nacional Autonoma de Mexico) Certificate in Endodontics (Tufts University).

Thomas Russell; clinical assistant professor; B.S. Biology, D.D.S. (University of Missouri-Kansas City).

Ashley Ryan; clinical assistant professor; B.S.D.H. Dental Hygiene (University of Missouri-Kansas City).

Keerthana Satheesh; associate professor; B.D.S. (Sharavathi Dental School, Kuvemp University, Shimoga, India); D.D.S. (University of Missouri-Kansas City), Periodontics certificate, M.S. (University of Minnesota).

Catherine Saylor-Boles; associate professor; B.S.D.H., M.S. (University of Missouri - Kansas City).

JoAnna Scott; assistant professor; B.S. (Missouri Southern State University); M.S. (Missouri State University); M.S., Ph.D. (University of Washington).

Linda S. Seabaugh; clinical assistant professor; D.D.S. (University of Missouri-Kansas City).

Rudane E. Shultz; professor emeritus; B.S., D.D.S. (University of Pittsburgh); Certificate, Oral and Maxillofacial Surgery (Walter Reed Army Medical Center).

Becky Smith; clinical professor; B.A., D.D.S. (University of Missouri - Kansas City).

Paulette Spencer; curators’ professor emerita; D.D.S., Ph.D. (University of Missouri-Kansas City); M.S. (Rensselaer Polytechnic Institute).

Narayanan Sreenivasan; clinical associate professor; B.D.S. (The Tamil Nadu Dr. M.G.R. Medical University), M.D.S. Oral & Maxillofacial Surgery (University of Hong Kong)

Austin E. Stiles, Jr.; associate professor emeritus; B.A. (Gettysburg College); D.D.S. (Temple University).

Kelly Suchman; clinical assistant professor; A.B. (Washington University in St. Louis); D.D.S., Advanced Education in General Dentistry Certificate (University of Missouri-Kansas City).

Yesim Tunkuc Stevens; clinical associate professor, B.D.S. (Istanbul University, Istanbul, Turkey); certificate prosthodontics, M.S. clinical research (New York University College of Dentistry, NYC, NY).

Julie Sutton; associate professor; B.S., M.S. (University of North Carolina-Chapel Hill).

Chih-Yun Tao; clinical assistant professor; D.D.S. (National Taiwan University of Dental Medicine), M.S. Periodontics (Tufts University).

Timothy S. Taylor; associate professor emeritus; B.A. (University of Missouri-Columbia); D.D.S. (University of Missouri-Kansas City).

Bhavika Thakkar; clinical assistant professor; B.D.S. (KBH MGV's School of Dentistry), Advanced Prosthodontics (Rutgers), Prosthodontics Certificate (SUNY Buffalo).

David J. Thein; clinical associate professor; B.A. (Southern Methodist University); D.D.S. (University of Missouri-Kansas City); Certificate, General Practice (Hennepin County Medical Center); Periodontics certificate, M.S.D. (Baylor University); M.B.A. (University of Wisconsin).

John W. Thurmond; associate professor emeritus; D.D.S. (Creighton University); M.S. (University of Texas-Houston).

Daniel E. Tira; professor emeritus; B.S. (Benedictine University); Ph.D. (The Ohio State University).

Maxine N. Tishk; professor emerita; A.S. (State University of New York-Farmingdale); B.S.(Boston University); M.S.D.H.E. (University of Michigan).

John Uhlenhake; clinical assistant professor; D.D.S.

Christopher J. Van Ness; research assistant professor; B.S. (Missouri Western State University), M.A., certificate clinical research (University of Missouri-Kansas City), Ph.D. General Psychology (Capella University, Minneapolis, MN).

Thomas A. Vopat; clinical associate professor; B.S. (Fort Hays State University); D.D.S. (Creighton University).
Mary P. Walker2,3; professor and associate dean for research and graduate programs; M.S., (North Dakota State); D.D.S. (University of Nebraska); Gen Prac Residency certificate (VA Medical Center, Omaha, NE); Prosthodontics certificate, Ph.D. (University of Missouri-Kansas City).

Yong Wang2,3; professor; M.S. Polymer Materials Science (University of Science and Technology Chengdu, China); Ph.D. Polymer Science (Sichuan University, China).

Rebeca Weisleder; clinical associate professor & chair, department of endodontics; D.D.S. (Universidad Nacional Autonoma de Mexico); Preceptorship in Endodontics (University of Texas Health Science Center at San Antonio); Certificate in Endodontics (University of North Carolina); Fellowship in Medical Education (University of Texas Health at Houston); Masters in Education and Instruction Design (University of Houston).

Linda M. Wells; clinical associate professor, B.A. biology, D.M.D. (Temple University School of Dentistry, Philadelphia, PA); certificate general practice residency (Cleveland Metro-Health Center, OH); M.B.A. management (Yale University School of Management, New Haven, CT).

Meghan Wendland; assistant professor; D.D.S. (UCLA), M.P.H. (Dartmouth), Dental Public Health (NYU).

Connie L. White; interim associate dean for clinical programs, associate professor and assistant dean for community relations and communication; B.A., D.D.S., Certificate, Oral Diagnosis/Oral Medicine (University of Missouri-Kansas City).

Derek R. Williams; clinical associate professor; B.S. (Rockhurst College); D.D.S. (University of Missouri-Kansas City); M.S. (University of Iowa).

Gerald D. Woolsey; professor emeritus; B.S. (University of Texas); D.D.S. (Baylor College of Dentistry); M.S. (University of Michigan); Certificate, Fixed Prosthodontics (Broke Army Medical Center).

Ahmed Zarrough; clinical assistant professor; B.D.S. (Tripoli University Faculty of Dentistry); Doctor of Science, Certificate of Advanced Graduate Studies in Advanced Education in General Dentistry (Boston University).

Undergraduate Advising
Roo Advising (http://catalog.umkc.edu/roo-advising/)
Rooadvising@umkc.edu
816-235-1148

Academic advising for undergraduate students is delivered through Roo Advising. Academic Advising is an integral part of student's university experience and has a significant impact on student success. The goals of Roo Advising are to provide students an exceptional advising experience that is equitable, holistic, personal, and timely. Advisors will assist students with the following:

• Understand degree requirements and have a early plan to graduation
• Navigate UMKC processes, systems, and services
• Explore, clarify and confirm fit with their major and career plans
• Develop clear and personalized academic objectives for short and long-term goals
• Enhance self-efficacy and sense of agency

Our professional academic advisors will assist students in all aspects of their undergraduate educational career.
• Assist students in choosing majors and developing academic plans
• Inform students about general education requirements
• Advise students on class selection and registration
• Offer advice on educational and career goals
• Assist students to connect with support services on campus
• Regularly review academic progress and progression toward degree completion
• Connect students with faculty mentors and UMKC Career Services
• Review academic policies and procedures
• Help students with other related issues or problems of an academic nature

Academic Advising

To facilitate progress toward the student’s degree, and to ensure that courses selected support completion of degree requirements, students are required to participate in advising each semester before registering for classes. Academic advising is required for all undergraduate students and is enforced using an advising hold in Pathway. In general, students should schedule an appointment to meet with their assigned academic advisor to discuss their enrollment plan and request their advising hold be released. Once students have a fully approved academic plan, there may be options to have holds released without a requirement for an appointment with certain programs.

Students enrolled in double majors or dual degree programs may be advised by two or more advisors with expertise in the specific programs. The advisor for student’s primary degree program will have the major advising responsibility.

Students have many options to meet with their assigned academic advisor. Students are encouraged to schedule an appointment with their assigned advisor to ensure appropriate time is set aside to address student's issues and concerns.

Schedule an appointment

Students can schedule an appointment to meet with their assigned academic advisor on their own through UMKC Connect (https://umkc.starfishsolutions.com/starfish-ops/support/login.html). If assistance is required, students can call Roo Advising at 816-235-1148 or send an email to rooadvising@umkc.edu.

Walk-in Advising

Walk-In Advising will be available the week prior to and the first week of each term. In addition, walk-in advising is available during regular terms.

• Monday and Tuesday 11am-12:00pm
• Wednesday and Thursday 1:00pm-2:00pm

• Numbers, Engineering, Technology, & the Cosmos-Flarsheim Hall, Suite 336

Faculty Mentors

Faculty in student’s declared degree programs are a significant and valuable resource for students. As experts in their respective fields they can assist students with their exploration of major and career options. Faculty can assist students to consider elective options tailored to their specific interests and assist students to make connections with professionals in Kansas City, Missouri, the United States, or across the globe. In addition, faculty can help students to make connections with colleagues in graduate or professional schools that may be of interest to students.

Students are responsible for becoming familiar with all academic regulations of the campus as outlined in the catalog and in other University documents.

Graduate
