

ORAL HEALTH EQUITY RECRUITMENT PROGRAM

The School of Dentistry has an active oral health equity recruitment program to develop, recruit, and encourage students from disadvantaged backgrounds (including economically, educationally, and environmentally disadvantaged) to apply to the dental and dental hygiene programs. Students desiring information should the Manager of Recruitment for Oral Health Equity within the Office of Student Programs (816) 235-2080.

Several pathway programs are available for high school and college students.
