EDUCATIONAL SPECIALIST: EDUCATIONAL ADMINISTRATION

Program Description
The educational specialist degree with emphasis in PK-12 school administration (accredited by the National Council for Accreditation of Teacher Education and the Missouri Department of Elementary and Secondary Education) prepares teachers for specialization in school leadership and administration. The program also provides an opportunity for practicing administrators to enhance their professional skills and to connect with other practitioners from the metropolitan area and region. To this end, the program's emphasis is the development of broad understanding and experiences across the whole professional field, the acquisition of in-depth knowledge in at least one specialized field in educational administration, and integrative experiences demonstrating the application of theory to practice.

The program of study will be planned in accord with the candidates' professional goals. Emphasis areas include:

- General administration (school superintendents and other central office administrators)
- Secondary principals or assistant principals
- Elementary principals or assistant principals

Although not essential to completion of the educational specialist degree, the master of arts may be earned by the candidate at approximately the halfway point.

EdS Beginning Principal

The Ed.S. degree with emphasis in educational administration prepares teachers for specialization in school leadership and administration. The program also provides an opportunity for practicing administrators to enhance their professional skills and to connect with other practitioners from the metropolitan area and region. Students in the program gain a broad understanding across the professional field, the acquisition of in-depth knowledge in at least one specialized field in educational administration, and integrative experiences demonstrating the application of theory to practice.

EdS Advanced Principal

The Ed.S. degree with emphasis in educational administration prepares teachers for specialization in school leadership and administration. The program also provides an opportunity for practicing administrators to enhance their professional skills and to connect with other practitioners from the metropolitan area and region. Students in the program gain a broad understanding across the professional field, the acquisition of in-depth knowledge in at least one specialized field in educational administration, and integrate experiences demonstrating the application of theory to practice.

District Level Administration (100% Online)

The online Ed.S. degree with emphasis in district-level educational administration prepares experienced principals or building administrators for specialization in central office positions, including superintendent or associate superintendent roles. The program provides an opportunity for practicing administrators to enhance their professional skills and gain a deeper understanding across the professional field including facilities planning, school finance, governmental and legal aspects of special education, and other integrative experiences that bring together the application of theory to practice. Upon completion of the program of study and passing the School Superintendent's Assessment, graduates will be recommended for District Administration/Superintendent certification.

This program is designed to prepare current building administrators and curriculum leaders for professional educator roles in a district-level setting. The degree leads to superintendent certification eligibility in Missouri and Kansas.

Requirements for Admission

Candidates must:

- Provide a copy of a valid teaching certificate
- Provide a copy of a current permanent or professional school administrator/principal license/certificate to teach.
- Have at least two years of full-time certified teaching, supervisory, or administrative experience, or any combination thereof, in elementary, middle or secondary schools under a fully licensed teaching certificate (temporary or provisional certification does not meet this requirement).
- Provide a transcript demonstrating completion of a course in psychology or education of the exceptional child.
- Possess a master’s degree with a GPA of at least 3.25

Student Learning Outcomes

Students graduating from this program will:

- As written below, this is just distinguishing those who hold elementary administrative certification from those seeking initial administrative certification.
Student Learning Outcomes for Ed.S. PK-12 Administration

Standard 2. Ethics and Professional Norms

Effective educational leaders act ethically and according to professional norms to promote each student’s academic success and well-being.
Standard 3. Equity and Cultural Responsiveness

Effective educational leaders strive for equity of educational opportunity and culturally responsive practices to promote each student’s academic success and well-being.

Standard 4. Curriculum, Instruction, and Assessment

Effective educational leaders develop and support intellectually rigorous and coherent systems of curriculum, instruction, and assessment to promote each student’s academic success and well-being.

Standard 5. Community of Care and Support for Students

Effective educational leaders cultivate an inclusive, caring, and supportive school community that promotes the academic success and well-being of each student.

Standard 6. Professional Capacity of School Personnel

Effective educational leaders develop the professional capacity and practice of school personnel to promote each student’s academic success and well-being.

Standard 7. Professional Community for Teachers and Staff

Effective educational leaders foster a professional community of teachers and other professional staff to promote each student’s academic success and well-being.

Standard 8. Meaningful Engagement of Families and Community

Effective educational leaders engage families and the community in meaningful, reciprocal, and mutually beneficial ways to promote each student’s academic success and well-being.

Effective educational leaders manage school operations and resources to promote each student’s academic success and well-being.

Curriculum

A minimum of 36 credit hours is required in the major area. Individual programs will be designed with the assistance of the faculty advisor to develop competencies in the theoretical, technical and functional aspects of educational administration.

The basic prerequisite course for the PK-12 program is:

• EDUC-UL 5501

Completion of one of the following is required in all programs:

• EDUC-UL 5574
• EDUC-UL 5575

Candidates are required to complete 15-18 credit hours of work in the supporting areas in education and humanistic and behavioral studies. Courses in the field of educational psychology, history of education, philosophy of education, sociology of education, curriculum, or from the behavioral sciences or humanities are considered appropriate.

Also required are 6 credit hours of research coursework to include EDUC-R&P 5508.

Note: Students should identify a faculty advisor in Educational Leadership, Policy and Foundations at the time of admission to the School of Education. Final program planning is a joint responsibility of the candidate and, the faculty advisor.

Requirements for Graduation

In addition to the general School of Education graduate degree requirements, the Ed.S. degree in educational administration also requires:

1. EDUC-UL 5574
   -or-
   EDUC-UL 5575
2. A planned field experience
3. An action research project
4. The educational specialist degrees designed to meet state certification requirements for school superintendency and have specific course requirements in addition to the above.
