Department Chair: Ye Wang

Department Description

The Department of Communication and Journalism prepares students to think creatively and critically while developing strong oral, written, and visual communication skills essential for success in diverse careers. Graduates are equipped for roles in media production, content creation, public relations, advertising, journalism, corporate communication, and community engagement. The department offers a wide range of programs, including professional and interpersonal communication, public communication, journalism (digital, multimedia, broadcast, and print), strategic communication, advertising, public relations, media studies, and multimedia production, including digital media, audio, and video.
