MEDICAL DEGREE PROGRAMS

B.A. / M.D. (http://catalog.umkc.edu/colleges-schools/medicine/medical-degree-programs/six-year-program-description/)

Program Overview (http://catalog.umkc.edu/colleges-schools/medicine/medical-degree-programs/six-year-program-description/)
From high school student to medical student (http://catalog.umkc.edu/colleges-schools/medicine/medical-degree-programs/six-year-program-description/)

A medical student’s journey begins as soon as they enter the UMKC School of Medicine’s B.A./M.D. program. Immediate exposure to a curriculum that builds a strong foundation in medical science and clinical skills is integrated with the liberal arts and humanities into a year-round program. Our program allows students to choose an undergraduate major and earn their B.A. and M.D. in six years. M.D. Program (http://catalog.umkc.edu/colleges-schools/medicine/medical-degree-programs/md-program/)

Program Overview (http://catalog.umkc.edu/colleges-schools/medicine/medical-degree-programs/md-program/)
The UMKC School of Medicine offers an opportunity for medical education to students who have obtained, or will soon earn, a baccalaureate degree. This program is the M.D. Program. Students interested in the M.D. Program must apply for admission between May 1 and August 1. If selected for admission, students will begin coursework in January.
