

NURSE EDUCATOR CERTIFICATE

Student Learning Outcomes

Students graduating from this program will:

- Implement skills and strategies to advance professional nursing and health across populations and settings
- Synthesize teaching/learning theories and research
- Design curriculum to address the diverse learning needs of students in the educational environment.

Program Description

Hands-on experience in objective writing, teaching, clinical instructing, test writing and student management are offered through educational experiences provided by master educators.

Completion of the program meets the educational requirements to be eligible for the NLN CNE Certification Exam. There are four courses required for the program with a total of 12 credit hours. All courses must be completed within three years.

Note: Students are responsible for arranging their clinical preceptor and site for the Practicum course. It is the student's responsibility to maintain clinical eligibility to practice during the program. It is recommended that the student become comfortable in the clinical setting in preparation for Practicum.

Program Admission Requirements

In addition to the admission requirements for UMKC, the requirements for admission into the NEC program are:

- MSN from an accredited nursing program
- Submission of current resume or curricula vitae
- Copy of current licensure as a registered nurse with licensure in the jurisdiction where clinical study is to be conducted

The Post-Master's NE Certificate Program Courses

Code	Title	Credits
NURSE 5515NE	Role of the Nurse Educator	2
NURSE 5516	Curriculum Development in Nursing	3
NURSE 5517	Teaching Strategies in Nursing	2
NURSE 5572NE	Synthesis Practicum for Nurse Educators (Preceptorship Course)	3
NURSE 5559	Evaluation Methods in Nursing	2

Licensure Disclosure

Graduates of Neonatal Nurse Practitioner (Graduate Certificate or MSN) programs meet the educational requirements to be eligible for the NNP National Certification Exam (NCC).

UMKC strongly recommends that students review the applicable licensure board(s) in their state of residence or in the state where they intend to obtain a license before beginning an academic program that results in licensure or certification and prior to beginning any practicum/internship. See UMKC's Professional Licensure Disclosures (<https://www.umkc.edu/provost/academics/professional-licensure-disclosures.html>) page for more information.
