**NURSE EDUCATOR CERTIFICATE**

**Student Learning Outcomes**

Students graduating from this program will:

- employ cutting-edge teaching strategies in the didactic and clinical setting
- synthesize teaching/learning theories
- acquire skills in curriculum development

**Program Description**

Hands-on experience in objective writing, teaching, clinical instructing, test writing and student management are offered through educational experiences provided by master educators.

Completion of the program meets the educational requirements to be eligible for the NLN CNE Certification Exam. There are four courses required for the program with a total of 12 credit hours. All courses must be completed within three years.

**Note:** Students are responsible for arranging their clinical preceptor (http://sonhs.umkc.edu/wp-content/uploads/2014/10/preceptor-agreement.pdf) and site for the Practicum course. It is the student’s responsibility to maintain clinical eligibility to practice during the program. It is recommended that the student become comfortable in the clinical setting in preparation for Practicum.

**Program Admission Requirements**

In addition to the admission requirements for UMKC, the requirements for admission into the NEC program are:

- MSN from an accredited nursing program
- Submission of current resume or curricula vitae
- Copy of current licensure as a registered nurse with licensure in the jurisdiction where clinical study is to be conducted
