

GRADUATE CERTIFICATE: HISTORIC PRESERVATION

Student Learning Outcomes

Students graduating from this program will:

- demonstrate the ability to identify, synthesize, and interpret historic resources.
- demonstrate the ability to apply historic preservation methods and techniques.
- demonstrate effective professional writing and communication skills.

The highest standard for historic preservation education is membership in the National Council for Preservation Education (NCPE). Once approved, the program will seek membership. The program has been designed in accordance with NCPE membership standards, which are found at the following link: <http://www.ncpe.us/about-ncpe/standards/>

The certificate requires 18 credits (six 3-credit courses), as follows:
