

FILM (FILM)

Courses

FILM 5554 Graduate Seminar: Screenwriting Credits: 3

Students will complete their feature screenplay, focusing on acts two and three and then ready the script for submission to contests and industry contacts. We will focus on in-depth scene work, polishing dialogue and deepening theme.

FILM 5595 Special Topics in Film Credits: 3

An opportunity to explore in-depth topics in film studies and/or production at the graduate level.

FILM 5598 Directed Graduate Studies: Non-Thesis Research Credits: 1-6

Special projects on the graduate level.
