## Vice Chancellor for Student Affairs and Enrollment Management:

Melvin C. Tyler

The mission of the Division of Student Affairs and Enrollment Management is to provide leadership in attracting and developing a diverse student population through a vibrant and engaging collegiate experience that supports students in defining and achieving their personal and educational goals. The Division works to achieve the university's strategic plan goal 1: place student success at the center.

The out-of-classroom experience is significant at UMKC in that it integrates with our students' academic development to provide an enriched *total university life experience*. This Division champions a vibrant and extensive co-curricular program which offers support services that help students attain their academic and personal goals.

The Vice Chancellor's Office provides overall leadership for a comprehensive program of student services through 19 service units and 12 academic/student affairs liaisons. Descriptions of divisional departments as well as academic liaison areas are as follows:
