The Union Programming Board (UPB) plays an integral role in creating a vibrant campus experience for students. The purpose of UPB is to provide quality social, educational, and entertainment-based activities and programs to the UMKC student body that address emotional, intellectual, occupational, physical, social, and spiritual well-being.

UPB strives to provide students with opportunities for leadership development, programming, and arts and events management. Students are always welcome to join The Mob—UPB’s spirit group which helps execute events throughout the academic year. Students are also encouraged to apply to become an executive member!
