Director of Operations: Jody Jeffries Contact Information (https://cf1.umkc.edu/intapps/lookup/?LastName=jeffries)

The mission of the Atterbury Student Success Center is to provide high-quality, integrated, and responsive services that promote students’ academic and personal success in support of our retention and graduation goals. The space provides for a more collaborative and effective delivery of academic advising, tutoring, career counseling, transfer support, and other services to meet the diverse needs of our students now and in the future. The Atterbury Student Success Center is a key factor in achieving the University’s Strategic Plan Goal 1: place student success in the center.

Offices and services located in the Atterbury Student Success Center include:

- UMKC Central
