Beginning Fall 2012, a WF is not calculated in the GPA for undergraduate students.

Beginning Fall 2015**, MATH 100** letter grades are not calculated in the cumulative GPA.

In terms prior to and including 1985, any of the above grades might be preceded by an R indicating a repeated course. These grades are not included in either total hours or the grade-point average. (Examples: RC, RD, RF.) Since 1985, all grades, including those in repeated courses, are included in the GPA calculation. For the 1993 Fall Semester, UMKC began using the plus/minus grading system for grades A, B, C, and D. The grade of A+ is valid only for students in the School of Law.
