

REQUIRED ACADEMIC RECORDS FOR APPLICANTS POLICY

Applicants must provide complete and official certificates of all degrees, diplomas, mark sheets, transcripts, grade reports and examination records required for application or acceptance. If documents are in another language, applicants must also provide an official English translation. Falsification or omission of information may result in a denial of admission, rescission of admission, dismissal, or other appropriate sanction.

Applicants may be admitted and enrolled on a provisional basis for one semester or summer term pending satisfactory final submission of all required documents. If a student is admitted and enrolled on a provisional basis, continued admission and enrollment beyond the initial semester or summer term is contingent on satisfactory submission of all required documents. If a student admitted and enrolled on a provisional basis does not satisfactorily submit all required documents in time for continued enrollment beyond the initial semester or summer term, the student's provisional and further enrollment as a student will end without any further action or proceeding by the University.
